

DERMAZONE SOUTH & CUTICON KARNATAKA 2017

21st South Zone Conference and 8th Annual Conference [Karnataka] of
Indian association of Dermatologists, and Leprologists

Date : 17th to 19th November 2017

**Venue : Father Muller Medical College Convention Centre,
Mangaluru**

Organized by :

IADVL KARAVALI [Karavali Dermatology Society]

in association with

IADVL - Karnataka Branch

Dear Friends,

The 21st South Zone Conference and 8th Annual Conference [Karnataka] of Indian association of Dermatologists, Venereologists and Leprologists will be held from 17th to 19th November 2017. The event will be organized at the newly constructed Father Muller Medical College Convention Centre, Mangaluru. On behalf of the organizing committee we invite you to the coastal city of Karnataka to attend this conference, which we promise would be a memorable one like DERMACON 2015.

Mangaluru is the second largest city and is often considered as the gate way of Karnataka. It is often used as a stop over by sea cruises along the coast. The city has a tropical climate and weather during conference will be pleasant. Mangaluru port handles 75 % of India's coffee exports and the bulk of the nation's cashew exports. It is a major education hub with many prominent educational institutions including eight medical colleges. Mangaluru has recently been included under Smart City programme.

The theme of the conference is "Dermatology in Medicine – The inside story" Renowned faculty from India and abroad will be invited for this event. Two CUTICON orations will also be delivered. Exclusive sessions on Dermatology in Internal Medicine, Dermatosurgery, Aesthetic Dermatology, Dermatopathology, Paediatric Dermatology, Therapeutic Dermatology, Leprosy and Venereology will be arranged. Post graduates will be given maximum opportunity to present their papers and posters. Post graduate quiz competitions will also be arranged. In addition exclusive Undergraduate and Post Graduate Quiz will be conducted for Karnataka students. Award sessions will be there separately for both original studies and case reports. Banquets will be organized at City Beech of Mangaluru. Over all, the conference will provide a unique beneficial experience to all of us, to interact, learn and grow together.

The trade exhibition will be arranged in a prominent well approached place in the new convention centre of Father Muller Medical college. We, the organizing committee members, request you to come forward to sponsor this scientific programme. This conference will provide an ideal platform for you to interact with the delegates from all over the six states i.e Karnataka, Andhra Pradesh, Telangana, Tamilnadu, Kerala & Pondicherry for medical services and exhibit your products. Your active participation will go a long way to make this mega event a grand success.

We request you to support us in this Dermatologic scientific & academic venture whole heartedly, needless to say that there would be various avenues for you to serve/exhibit your products and interact with the dermatologists. Kindly confirm your sponsorship at the earliest to utilize this opportunity to be included in the brochure as sponsor of this great event. The conference will be attended by more than 1,500 delegates. This conference will be arranged like a mini DERMACON.
